IMPORTANT NEWS FOR THE ALUMNI

WHAT? HOME COMING WEEK! WHEN? . . . OCTOBER 29-30, 1948.

WHERE? LYCOMING COLLEGE - Your Old School Home.

WHY?

- 1. Because you will see improvements in the old college that will delight the eye.
- 2. You will renew memories with your classmates some of whom have not been back in recent years.
- 3. You will hear inspiring addresses, witness the dedication of the new women's dormitory, share in the pleasures of the president's reception and other social hours, and witness a tip-top football game.
- 4. You will give yourself the satisfaction of paying this sign of respect and devotion to the college that meant the most to you in the formative years of your life.

TO ALL ALUMNI

DEAR FRIENDS OF LYCOMING:

WILL YOU PLEASE ACCEPT THIS AS A PERSONAL INVITATION TO BE WITH US FOR THE EVENTS OF HOME COMING. WE ARE ANXIOUS TO HAVE YOU JOIN US AS WE ENTER THE NEW CENTURY OF SERVICE WHICH OPENS SO AUSPICIOUSLY. REMAIN FOR AS MANY EVENTS AS POSSIBLE.

I DO HOPE I MAY HAVE THE PLEASURE OF GREETING YOU.

FAITHFULLY YOURS.

JOHN W. LONG

Who will be the Speakers?

Bishop Charles Wesley Flint, D.D., LL.D., resident bishop of the Washington, D.C., area of the Methodist Church will have charge of the dedication ceremonies. Bishop Flint, former chancellor of Syracuse University, is a member of Lycoming's board of trustees.

Bishop Fred Pierce Corson, D.D., LL.D., resident bishop of the Philadelphia area, will give the principal address. Bishop Corson was a former president of Dickinson College.

Who else will attend?

First of all, YOU will! Then, among other distinguished guests, Dr. Francis Haas, Superintendent of Public Instruction in Pennsylvania; Dr. Henry Klonower, Director of Teacher Education and Certification for the

state; Dr. John O. Gross, secretary of the department of educational institutions of the Methodist Church, are expected — to name a few. Most of all, YOU will be there, you for whom HOME COMING WEEK is meant!

Is that all?

NO! In addition to the guiding hand of Dr. Long, and his able assistants, Miss Dewey and Mr. Smith, EVERY MEMBER OF THE FACULTY will be on hand, serving on some committee, such as reception, social, music, decorations, athletics, publicity, invitations, and dedication.

You will want to meet the members of the faculty—especially the new ones. They will be looking for you. Do not disappoint them. Do not disappoint yourself! If you fail to come, and when you learn what you missed, you will feel — to use the vernacular — lick kicking yourself!

New Faculty Members

Nine new members have been added to the faculty in light of its advancement to the status of a four-year college. The additions are warranted because of academic needs in the departments they represent and also to attain greater efficiency in teaching, as numerical reduction in the size of classes per teacher allows for greater individual attention. The list of new members follows:

Dr. George S. Shortess, head of the biology department, who received his M.A. from Columbia University, and his Ph.D. from John Hopkins.

of the department of philosophy and religion, a graduate of Union College, cum lande, and of Boston University.

Oliver E. Harris, psychology, State College, and a former instructor at Colgate College.

Frederick Wells, instructor in business administration, a graduate of the University of Virginia and of the University of Pittsburgh.

Miss Mary Stewart, English, and history, a Ph.D. from Columbia University.

Miss Gloria Rebecchi, a graduate of Temple University, with an M.A. from the University of Pennsylvania.

James Otton, assistant football coach, University of Dela-

Mrs. Donald Felix, director of physical education for women, who received her B.S. in Health Education from the East Stroudsburg State Teachers College.

Among their gifts to the college are the Jennie N. Rich Memorial Scholarship of \$5,000, established by her son, John Woods Rich; a student loan fund established by Congressman Robert F. Rich and Mrs. Rich; the president's home and Fine Arts Building on Washington Boulevard, obtained through gifts of Mr. and Mrs. W. F. Rich.

By the generosity of Mr. and Mrs. M. B. Rich the college department of religion was founded and the following scholarships and prizes set up: The Rich Memorial Scholarship Fund of \$5,000; the oratorical prize, spelling prize and an award to the freshman standing highest in scholarship and deportment. Through gifts of the M. B. Rich family the purchase and installation of the electric organ in Clarke Memorial Chapel was made possible.

This magnificent structure, begun last spring and completed in time for the fall opening of the college to accommodate 120 girls, with rooms for Miss Florence E. Dewey, dean of Women; Mrs. Gertrude E. Jeffrey and Mrs. Lulu Brunstetter of the faculty, and Mrs. Martha Brouse, the college nurse, is located on the campus at the intersection of Elizabeth and Ross Streets, and just beyond the gymnasium.

The Structure and Equipment

Following the pattern of the Georgian Colonial style of architecture, this graceful, dignified building is built of Indiana limestone and brick in the flemish bond design, with stately columns on the front and rear porticoes. The whole

Rooms are fitted with twin beds, grouped in pairs with connecting bath rooms outfitted with tubs and showers, the rooms attractively tiled in bright colors. The rooms also contain two large chests of drawers, dressing tables with mirrors, bed lights, and venetian blinds and drapes at the windows. In addition there are two handsomely furnished lounges, smaller social rooms, coat rooms, laundries, a kitchen, infirmary, office for the receptionist, lock boxes for mail, a telephone system, storage rooms, a study hall, and a central call system with loud speaker. This building, measuring 168 by 64 feet, utilizes every inch of space for all the facilities indicated. It was erected by one of the leading contracting firms of Williamsport.

> College officials point out that none of the money from the recent \$500,000 endowment and improvement campaign was used toward construction of the dormitory. Approximately \$212,000 of the total campaign subscriptions have been paid to date and allocated for endowment, repairs, and improvements to the college buildings and equipment.

COLLEGE OPENS CHAPEL EXERCISES

The first chapel exercises of day, September 30, with Dr. Long presiding. He introduced Rev. C. Herbert Picht, the new head of the Department of Philosophy and Religion, who addressed the students on the subject, "Are You an Imagineer?" He stressed the fact that imagination implemented into specific objectives brought success and happiness. Miss Joann MacKay and Henry Hornsby sang solos. Rev. Picht occupies the M. B. The Student Christian Association

Members of this association plan to hold informal devotional services each Sunday night in the lounge of the new women's dormitory at 8 o'clock. Philip Barnett, of Saxton, is president, and plans to have a speaker and special features at each meeting. Rev. Picht addressed the first meeting on October 3, which Richard Hinkelman of Williamsport, directed, assisted by Barbara Stenger of Roaring Springs, and Sally Andrews of Emporium. On October 14 the association will hold a meeting in Rauchtown.

Experience

Young men are as apt to think themselves wise enough, as drunken men are to think themselves sober enough. They look upon spirit to be a much better thing than experience, which they call coldness. They are but half-mistaken; for though spirit without experience is dangerous, experience, without spirit, is languid and defective.

and faculty, to say nothing of the delight experienced by the happy girls who are fotunate to live and work under such attractive and homelike surroundings. It will evoke the same sentiments on the part of all alumni who will return to the manding cupola which can be feeling of satisfaction on the old college for this, most moseen over a wide area. It is fire part of the board of directors mentous Home Coming Week.

CAMPUS IMPROVEMENTS

The returning alumni will be pleased to note the many improvements made to give the campus and buildings greater beauty and service. The sum of \$18,000 had been set aside for this much-needed work. On the campus itself the front area has been developed into a real campus, the drives done away with, lawns made, grass sowed. and the front entrance closed off for autos, and an attractive approach substituted. This consists of a new cement walk across the railroad tracks to the steps, large iron fences placed across the space except for the walk, and similar fences closing off the former drives. Hedges have been planted for decorative purposes, and exposed places bricked. The walks themselves leading to Old Main have been rebuilt.

At the rear of Old Main, the old driveway close to the building has been replaced with a stone walk, additional walks laid, and all grass plots reconditioned and replanted. The old porch at the east end has been removed. The two open properties leading up to the railroad have been turned into parking places for cars. In addition, a great deal of painting has been accomplished: the Fine Arts Building, Bradley Hall, Clarke Chapel, and Eveland Hall have been painted inside and out, and for the reconstruction of Old Main into a complete dormitory for men, all inside work has been gone over. All in all, the work of renovation and improvement will be a source of pride and delight to the returning alumni as well is giving satisfaction to the student body.

In another column is an account of the new \$300,000 dormitory for women which will accommodate 117 boarding girls. The men boarding students are now housed in Bradley and Eveland Halls, the Franklin Street and Old Main dormitories. The total represents the largest number of boarding students accommodated for regular college work, an increase of 117 over last

COLLEGE SPORTS

The football season opened auspiciously with 43 candidates out for the 1948 squad. Lee Baer is this year's coach, succeeding T. Sherman Stanford, who now serves as general director of athletics. Joseph Babcock will again coach the linemen.

Of the 43 candidates, 11 have received their letters: James Gore, Ray Staley, Charles Winters, George Smith, Richard Keyser, Harry Walters, Tyson Gair, Michael Ripepi, Robert Bingaman, James Keller, and Burdell Fessler. The coaching staff meets the players each day from 9 to 11 a.m., and from 2 to 4 p.m. A victorious team is expected since 20 members have played last year. A new member of the faculty, James Otton, has also been assigned as football coach.

The opening game of the season, with Ithaca College, played at night on October 2, was lost by the score of 25-0, due largely to injuries previously received by several members of the team, and was no reflection on the brilliant playing and fine team work of the squad. Following is the schedule for the balance of the season:

NOTES COLLEGE

COLLEGE REPRESENTED AT CHAUTAUQUA

Lycoming College was represented at a conference on higher education recently at Chautauqua Lake, N. Y., by Rev. L. Elbert Wilson. The conference was sponsored jointly by New York University and Institution. Chautauqua Speakers on the program were from Southern Methodist University, Western Reserve University, Simmons College, and Georgia State College, Rev. Wilson is a member of the board of directors of Lycoming College.

MARRIED STUDENTS FACE HOUSING PROBLEM

Enrolled in the coilege are approximately 15% married college students, some of them with children. These couples are having a hard time finding quarters. The new women's dormitory gives added space for boarding girl students, but the space vacated in Old Main and Bradley Hall has been taken up by unmarried men students. However, some of the married couples have been placed in private homes in the city and community; others in temporary quarters until more suitable occommodations can be found.

FOURTH MEMBER OF COR-SON FAMILY TO ENTER LYCOMING

One of the interesting events of the opening of college is the fact that the fourth member of the family of Mr. and Mrs. Charles E. Corson, of Williamssport, has enrolled. She is Margaret Eleanor Corson, one of the youngest graduates of the Williamsport High School.

Miss Corson's brother, Charles E. Corson, Jr., was a member of the class of 1943, but left college to enter the service. He was killed in action on Oki-

Elizabeth was later graduated from Bucknell University, and is now teaching in the Danville, Pa., schools. Mary Louise was graduated as a sophomore in 1947, and is now a secretary in the Williamsport Hospital.

Attending Lycoming College is a custom going back into the past generations, for Mr. Corson's father, Hiram E. Corson, was a student in the former Dickinson Seminary days, while Miss Margaret C. Horn, a teacher in the Roosevelt Junior High School, Williamsport, is an alumna, related to the young Corson's mother.

This practice of sending the children of the families of those who are graduates of the old college, is one that deserves note and recommendation.

COLLEGE CHOIR **ORGANIZED**

The college choir, under the direction of Walter G. McIver, is now in rehearsal. In fact, a temporary organization was effected during the summer and rehearsals begun. Vocal music, represented by the college choir, the men's and women's choruses, and the a capella choir, has become one of the finest expressions of the college's life, and these organizations have been on call in various parts of the state for concerts. The college a capella group sang at the sessions of the State Sunday School Assocition which recently held its annual convention in Williamsport. Following are members:

First sopranos: Alice Fritts, Dover, N. J.; Doris Haight, Baltimore; Patricia Rohm, Williamsport; Emily Christ, Jersey Shore.

Second sopranos: Addie Knowlden, Ralston; Joan Mac-Kay, Williamsport; Audrey Sirkin, Watertown, N. Y.; Kessie Larmore, Salisbury, Md.

ALUMNI ASSOCIATION **BOARD ACTIVITIES**

The Alumni Association Board of Lycoming College is an active, zealous organization, working for the interests of the college and willing to do any work called on. It wishes to create a live general alumni body and extends a cordial invitation to all alumni and friends of old Dickinson Seminary and Junior College to offer any suggestions that will help make Lycoming College a larger and more serviceable institution. The Board meets monthly and will be glad to hear from all interested, letters to be addressed to the Corresponding Secretary, care of the college. It has various plans of operation in mind which will be announced later. Meanwhile it hopes that the alumni will turn out in large numbers for Home Coming Week, October 29 and 30. Following are the officers and new members:

Mrs. John E. D. Huffman, president; vice president to be chosen; Miss Eva Keller, recording secretary; Miss Martha Slate, corresponding secretary; Miss Dorothy Hoagland, treasurer. The new members are: Mrs. Albert Haas, Mrs. William Hunter, Mrs. William Maule, Mrs. Samuel Hutchinson, Jr., Mrs. Carl Browne, Mrs. Harry Walker, Mrs. T. M. B. Hicks. Signs of Education

For the last sign of education one can reveal is serenity in decreptitude, a sense that there is still something to be if not to do. Such persons in their prime had doubtless showed another sign: they could respect failure or even idleness if integrity came with it. And they were not too sure that they were judges of integrity, better and worse having been for problems, "Those of us," remarked Rousseau, "who can best endure the good and evil of life are the best educated." -Mark Van Doren.

more than \$1,700,000 and an endowment of over \$750,000, the college is well prepared to face a future bright with hope and zeal for fine work in the field of higher education. The new Memorial Hall, devoted to recitation purposes, was dedicated last November. This year, the new women's dormitory, named Rich Hall, in honor of the Rich family's generous interest in the college, will be dedicated. A description of this building and plans for the dedi-
